Dear Bob:

A copy of Tabs 1, 2, 3, and 4 of our "Report of Inventory as of April 14, 1961" with a copy of our letter of transmittal of same to the Contracting Officer is being sent to you as requested by the Contracting Officer.

We look forward to your visit scheduled for June seventh. I believe our property as well as relative records and procedures are in good shape, but an objective review and comments will undoubtedly prove helpful.

Please let us know if we can be of any assistance in making reservations for your visit.

Best regards,

Tom
